Xerox® Everyday Toner Lifetime warranty. No risks.

Xerox® Everyday Toner ensures complete satisfaction. And with a lifetime warranty, we've got you covered.

QUALITY. CONSISTENCY. SATISFACTION.

Over the life of your printer, Xerox® Everyday Toner will consistently render text, colours and graphics – no surprises or compromises. That's because each one is made in ISO 9001 certified facilities to ensure they deliver consistently. In fact, standardised test methods prescribed by the STMC ensure you can expect quality print output from the first page to the last, and printed page totals that reliably equal or exceed cartridge yield ratings.

NO RISK LIFETIME WARRANTY

Xerox® Everyday Toner is guaranteed for the lifetime of the cartridge. Though quite unlikely, if a problem develops we'll provide a replacement cartridge free of charge. No hassle. Simply contact the reseller you purchased it from to initiate a warranty claim and receive a new replacement cartridge.
