

mUnite Mounts, Stands & Kiosks

Star Micronics is proud to offer both function and style with its mUnite tablet display solution stands and mounts, built to accompany our vast array of printers, cash drawers, scales, and peripherals. These durable steel mounts, kiosks, and stands are compatible with any tablet manufacturer and any of our tablet enclosures, including the popular Universal mEnclosure, or any enclosure that uses universal VESA mounting. Easy to set up, our mUnite stands are suitable for a wide range of printing solutions, from the mC-Print3 and mPOP™ to the TSP143 and TSP654 series.

Mount Stands

Star Micronics has created multiple stylish tablet mounts to free up and declutter workspace while keeping valuables secured in one area. Introducing our new line of mUnite mounts, made for a variety of applications. They attach to most walls and countertops with everything needed to get set up included*. Incredibly modern and space-saving, these tablet mounts are perfect for online ordering for the restaurant or QSR industry, retail, hospitality industry, or any establishment where tablets are regularly used and can be stationary. Tablets are well-protected and easily accessible while out of the way in busy atmospheres.

Desktop Stands

Lessen unnecessary bulkiness and freshen your point-of-sale with Star's wide selection of mUnite desktop tablet stands. Keeping wires together and off the checkout counter, these upscale stands are made to house and protect a variety of Star printers, providing stability and style for your valuables. They use universal VESA mounting to secure the tablet of your choice, giving the freedom to tilt the screen to your liking while including room for a second customer-facing option. Stylishly space-saving, Star's desktop stands are a practical way of enhancing your brand, presenting a clean and attractive look to your customers.
