## MagPro™ Magnetic Privacy Screen Filter for Laptops 13.3" (16:10)

Keep Your Data Private, Anywhere

## K55253WW

## **Product Description**

For hybrid workers requiring a privacy screen filter for laptops with a 16:10 screen aspect ratio, the MagPro™ Magnetic Privacy Screen Filter is the perfect solution.

Designed to support today's ultra-thin laptops with exceptional form, fit and function, MagPro™ easily attaches and detaches as needed, allowing full device closure and sleep mode functionality without needing to be removed.

The MagPro™ Magnetic Privacy Screen Filter is ideal for users that need a simple solution for protecting on-screen data from prying eyes, yet be able to easily remove the filter when collaborating with colleagues.

## **Features**

- Slim magnetic strips allow for quick and easy attachment and removal of the privacy screen as needed. The laptop can completely close and enter sleep mode without removal.
- Supports slim bezel and edge-to-edge displays with unobstructed viewing and a webcam notch.
- Privacy-focused viewing angle narrows field of view to ±30°, shielding on-screen information from prying eyes and reducing the chance of a data breach.
- Blue light reduction filter eases eye strain and reduces the chance of natural sleep pattern interruptions by filtering out up to 30% of the laptop's harmful blue light rays.
- Low reflective coating reduces glare from outside light sources for improved viewing clarity.
- Reversible viewing options provide a matte side to reduce glare and fingerprints, with a glossy side to provide a clearer view of the monitor.
- · 2-year limited warranty included.
