Package contents	- Air vent phone holder - User guide
System requirements	- Smartphone with width between 55 and 100 mm

Marketing

Extended retailer text	<p>Keep holding on</p> <p>Don't worry, the Runo's not going anywhere! With a rubberised back clamp, this phone holder has a firm grip on your car air vents so you don't need to stress about it falling off while you're on the move.</p> <p>You've got a friend in me</p> <p>Good for you and your phone, the Runo offers easy access to your phone's buttons and charge port. You can also use it single-handedly, with a quick release cradle button that allows you to pop your phone out as soon as you're done.</p>

In safe hands

You get a seatbelt, your phone gets the Runo! Your phone deserves to travel just as safely as you do, so rubber side grips firmly hold all 55-100mm wide phones and ensure a smooth and secure ride.

From your point of view

The road might have twists and turns, so the Runo can twist and turn – a rotatable, tiltable ball-joint hinge enables you to adjust the angle to suit your view, making this phone holder a must-have for easy navigation.

Specifications
