

DYMO®

LabelWriter™ Stock Rotation Labels

DYMO® LabelWriter™ Stock Rotation labels streamline inventory and food safety in hospitality and food service. Tag and date food for safe or safe storage, waste reduction, adherence of health and safety regulation.

BENEFITS

- **ELIMINATE GUESSWORK:** By rotating items based on the labeled date, you reduce the risk of serving expired or spoiled food.
- **MINIMIZE FOOD WASTE:** Efficient rotation ensures that older items are used first, reducing unnecessary food disposal.
- **COMPLIANT AND SAFE:** Fully compliant with industry and regulatory standards for food labeling.

STEP 1

Use the DYMO® connect for desktop template to overprint- and add relevant time-, date stamp to labels.

STEP 2

Easy peel and apply for a precise day of the week identification.

STEP 3

Each label has a distinct date field for easy identification of the storage date.
