

V7 Premium USB Headset with ANC

HU621

SKU: CH27530

Keep the distractions down and your productivity up.

V7's Premium USB Headset with ANC helps you escape the noise around you with enhanced audio performance combined with professional features that adapt to your working day so you can perform at your best.

Enjoy optimal speech clarity with the environmental noise-cancelling technology (ENC) - perfect for busy office settings so callers hear only you and not the conversations of your workmates Hybrid Active Noise Cancellation (ANC) helps reduce distracting high-frequency noises around the office like noisy air conditioning - so you can focus on the task at hand..

Fully compatible with popular video conferencing programs including Microsoft Teams, Zoom, Google Meet, and many other.

Fully compatible with video conferencing programs including Microsoft Teams, Zoom, Google Meet, and many others.
