design by neil poulton

Product Overview

The essential addition to SSD-based laptops and all-in-one computers with limited storage capacity, the latest d2 USB-C desktop drive massively expands capacity up to 20 TB for professional bandwidth-intensive creative applications. The LaCie® d2 Professional performs perfectly on Macs and PCs alike and also features Seagate IronWolf Pro enterprise-class hard drives for industry-leading performance and reliability.

1 These transfer rates were achieved using AJA System Test when connected to a Mac computer.
2 Rescue Data Recovery Services not available in all countries.
3 One-month membership to Adobe Creative Cloud All Apps plan is redeemable during product registration. Must redeem within one month of drive registration. Not available in China. For country list see https://adobe.ly/cc-countries. Internet connection and Adobe ID required. Available to users 13 and older. See www.adobe.com/legal.html for applicable terms and privacy policy.
