Surface Laptop 6 for Business

Power and design in an AI PC, built for business workloads

Surface Laptop 6 elevates business with an elite level of performance, power, and sleek design. Built for demanding workloads, Surface Laptop 6 unleashes a new era of productivity through the power of the Intel[®] Core[™] Ultra H-series processors. With Surface Laptop, employees get the benefits of an AI PC that accelerates Microsoft Copilot* experiences.

Intel[®] Core[™] Ultra H-series

Relentless power for demanding workloads

Fuel productivity through a full workday with power and performance designed to keep pace with business.

A sleek and durable Microsoft design

Surface Laptop 6 will surpass expectations: meticulously crafted, designed for longevity, and featuring collaborative tools and AI-driven features.

> Up to 19 hours of battery life¹ and supported fast charging²

Productivity realized with Microsoft Copilot*

Experience Microsoft Copilot* in ways only Surface can create, with detailed support for inclusive styles of work.

Multi-layered security and manageability

Windows 11's industry-leading security safeguards sensitive data, and remote management provides protection at every layer-hardware, firmware, application, cloud, and identity.

Al-enhanced 1080p HD Studio Camera with Windows Studio Effects

> Secured-core PC designed to elevate the benefits of Windows 11 security
