

Always feel safe knowing your home is protected, inside and out.

The Yale Button can be used as a panic button or work as a doorbell.

The Doorbell can function as a panic button which would activate your alarm instantly and send real-time alerts via the app to any dedicated emergency contacts.

Place it on your bedside table, mount in on a wall, anywhere you want to feel more secure.

When used as a doorbell button, receive an audible notification and real-time alerts via the app whenever the Doorbell is pressed. (IP55 rated for outdoor use)

Trusted every day
