

# Always feel safe knowing your home is protected, inside and out.

**Fully control your Smart Alarm in a way that suits you with the Yale Keypad.**

Easy to mount or use as a portable keypad, you can arm, disarm or part-arm up to 4 areas within your home using a PIN code to secure your home at all times, including when you are home.

The Keypad features a backlit key design that illuminates on approach which is ideal for use in the dark.

The Panic button feature allows you to activate your alarm instantly and send real-time alerts via the app.

**Trusted every day**
