

Always feel safe knowing your home is protected, inside and out.

Our Yale Outdoor Siren has an external loud siren that reaches 100dB and flashing LED lights that acts as a clear deterrent for any intruder.

Alerting your neighbourhood and helping people to locate your home in case of any break-in. The alarm will also be triggered if someone attempts to tamper with the device, providing complete home protection. Receive real-time alerts via the app whenever the alarm is activated.

The siren volume is adjustable. The Yale Logo can light up, enabling your Outdoor Siren to be visible at all times, even when it's dark outside. Power adapter required* for this feature, to be plugged from an inside power socket.

Comes with multiple power options to best suit your needs (mains or battery-powered).

Trusted every day
