The Matrix Ultimate 3-in-1 Fold Stand makes charging a whole lot faster, whether you're at home or going abroad. Its detachable Ultimate Power Bank delivers 15W, the fastest wireless charging your iPhone supports, wherever and whenever you need it. When its 5,000mAh battery runs dry, slot it into the 3-in-1 foldable stand to wirelessly recharge it together with your phone, AirPods and Apple Watch.

## Folds up For Travel

The 3-in-1 Fold Stand can charge your phone in portrait or landscape, perfect for watching recipes while you cook, or monitoring your notifications while you're working.

## Power Bank Recharges Wirelessly

The detachable Matrix Power Bank recharges wirelessly in the Charging Dock at the same time as your phone, ensuring you won't forget to charge it. When you're out and about and catch your phone running low, the Power Bank can recharge it from 0-100% with its 5,000mAh battery.

## Detachable Apple Watch Fast Charger

When you need to keep your Apple Watch charged away from home, simply detach the USB-C Apple Watch Fast Charger and take it with you. Less than 5cm long, you can plug it into your laptop, Matrix Power Bank or even phone's USB-C port to charge. Capable of fast charging Apple Watches Series 7, 8, 9, Ultra and Ultra 2.
