FULL SERVICE WALL MOUNT
FOR XXL DISPLAYS

BT9926 is a dual rail, pop-out wall mount solution designed for extra large 21:9 ultra-wide signage displays. The screen is securely mounted across dual horizontal rails, for a straightforward hook-on installation. The mount features an easy to use push-to-release soft pop-out feature, which allows for easy access during servicing. Additionally, micro-adjustment thumb wheels enable precise screen alignment, ideal for recessed installations.
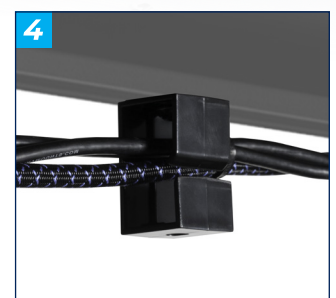

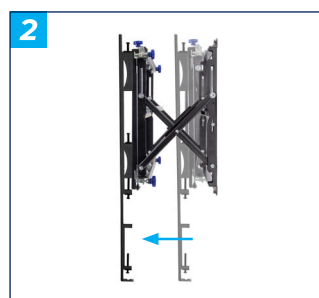

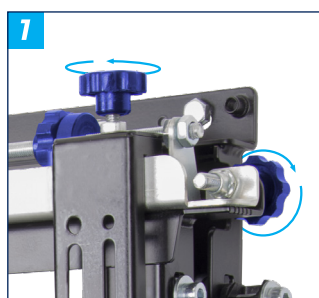

SPECIFICATIONS

|
