

SAFESCAN **SD-4141**

STANDARD-DUTY CASH DRAWER

This cash drawer is ideal for use in retail, hospitality, schools, clubs, churches and other non-profit organizations. Due to the robust ball bearing rollers, this cash drawer is tested for at least 1 million openings. The cash drawer can be opened with a simple push to the front panel, by key or connected via the RJ12 printer cable to a receipt printer or cash register for electronic opening. The cash drawer has 4 adjustable banknote compartments and a removable and adjustable tray for 8 different coins. There is also a separation slot for storing large banknote denominations and value papers out of sight.
