

Power Pack under desk units

Model shown – Power Pack 4/1G

- Power Pack - low cost power only option
- individually fused power sockets
- Complies with BS6396: 2008
- Upgradeable – plug a 2-way into a 4-way
- 150mm earth lead to ring terminal
- Switch options
- 2, 3, 4, or 6-port plastic body
- Tested to BS1363-2 & BS5733
- Wieland* GST input/output
- 'Daisy chain' from one unit to another

The modular Power Pack offers unrivalled competitiveness and the ability to plug one unit into another, for example a 2-way could plug into a 4-way to make a 6-way product, simple end brackets allow screw fixing or tying to basket tray.

Standard modular power options
