

TM-838 SC Clocking-in device

With MIFARE, DESfire, RFID & face recognition

Secure and easy clocking with MIFARE and DESfire technology

Save time and money by choosing our MIFARE / DESfire powered clocking in devices. Besides regular registration with face recognition or an RFID badge, the TM-838 SC also supports MIFARE and DESfire clocking, allowing users to manage their time registration, access control, personal identification, and cashless transactions with just one badge. Your facility operations have never been easier.

Combine your TimeMoto device with TimeMoto Cloud for optimal flexibility. Our intelligent Cloud solution provides you with complete insight and control over your time management in one easy application. With just a few easy clicks you can monitor all the clocking data from your TimeMoto device, edit and report real-time insights whenever and wherever you are. Create detailed schedules for your team and manage their overtime hours, absences, vacation requests and more.

TimeMoto Cloud

All TimeMoto devices include the TimeMoto Cloud Free plan and a 30-day TimeMoto Cloud Plus trial, so you can experience every feature before choosing the plan that best fits your needs.
