Conferencing Loudspeaker Black

C-IC6 Two-Way 6.5-inch Ceiling Mount Conferencing Loudspeaker Black

Biamp Desono C-IC6 Two-Way 6.5-inch Ceiling Mount Conferencing Loudspeaker Black:

The Desono C-IC6 is a low-profile, two-way passive coaxial loudspeaker optimized for speech reproduction in conferencing applications. Designed with the installer in mind, the C-IC6 loudspeaker supports audio connections via either standard category cable or traditional speaker cable. They can be blind-mounted from below the ceiling, and feature a magnetic grille for easy toolless installation and removal. The grille plates are available in white, black, or red, or can be painted to match the room decor. The C-IC6 also directly integrates with the Tesira AMP-450BP — a four-channel "backpack" PoE+ amplifier — which reduces wiring requirements and installation time. The Desono C-IC6 loudspeakers are an ideal choice for any conferencing space that demands superior speech reproduction.

Certified for use with Zoom software.

Loudspeakers

Speaker type *	2-way

Woofer diameter (imperial)	16.5 cm (6.5")

Audio

RMS rated power *	60 W
Peak Music Power Output (PMPO)	240 W
Frequency range	60 - 20000 Hz
Sensitivity	88 dB
Sound pressure level (max)	112 dB
Input sensitivity	2830 mV

Performance

Recommended usage *	Conferencing system
Product colour *	Black
Suitable for outdoor use	✖

Amplifier

Amplifier *	✖

Amplifier

Recommended amplifier power (max)	120 W
Recommended amplifier power (min)	60 W

Ports & interfaces

Connectivity technology *	Wired
Bluetooth *	✖

Weight & dimensions

Height	151 mm
Weight	3.5 kg
Diameter	27.6 cm

Packaging data

Package width	304.8 mm
Package depth	711.2 mm
Package height	355.6 mm
Package weight	7.08 kg

Packaging content

Mounting brackets included	✔

Logistics data

Export Control Classification Number (ECCN)	EAR99
Harmonized System (HS) code	8518220000

Other features

Ethernet LAN (RJ-45) ports	2
Country of origin	China
