Keep your tablet safe from screen smashing streaming, couch chilling catastrophes and other tablet totaling tragedies with an original screen protector from SAFE. by PanzerGlass®. The tempered glass acts as a discrete airbag, protecting your tablet by absorbing impact and providing a high level of scratch protection without compromising the functionality and look of your device.

Installation is easy. Usually one attempt is enough, and should you need more, don't worry: the screen protector can be re-installed up to 200 times. And once it's applied, you'll never again fear the sight of your tablet tumbling to the ground. This may not happen, but if it does, you'll regret not having clicked "add to cart".
