Product name : Bora X1

Product code: 48844

For laptops up to 17", 200 mm RGB, 600-750 RPM, 38 - 48 dB, USB to DC cable, 1195 g

SureFire Bora X1 laptop cooling pad 43.2 cm (17") 750 RPM Black:
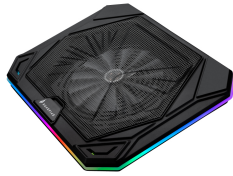

COOLING FOR PERFORMANCE
With overheating being a major cause of laptop performance issues and component failure, by investing in the SureFire Bora X1 Gaming Laptop Cooling Pad with RGB, you will not only improve your comfort while gaming, you will also maximize the lifespan of your laptop.

COOLING IN COLOUR
The 20cm RGB fan with adjustable speeds can be set to 6 different lighting modes so you can change the mood of your environment to the game. Cycle along the full rainbow RGB spectrum or home in on a preferred colour sequence to match your set up – you are the one in control.

COOLING IN COMFORT
To optimise comfort, the cooling pad can be set to 5 different viewing angles, and the non-slip base ensures a stable platform for those critical gaming moments. You also have the option of a phone holder to keep your comms near to hand.

Performance	
Maximum screen size *	43.2 cm (17")
