- ✦ Omni-directional microphone
- ✦ 360° rotating head

WEBCAM BUSINESS FULL HD

Thanks to the 1080P resolution, the webcam offers pin-sharp and color-true video and image quality. The omni-directional microphone provides clear sounds.

The camera can be placed practically anywhere - on the screen, notebook, a tripod or the desk. The practical clip for mounting the camera allows an uncomplicated installation within a very short time. No installation of additional software or drivers is necessary, as the webcam works with Plug & Play. The cameras inte-

grated 2.0 USB cable (1.6m) simply has to be plugged into the notebook or computer and the webcam is ready to start within a few seconds. Lens cover for privacy protection. Compatible with MacOs, Microsoft Windows and other devices.

Project & tenders: The BASE XX collection has been designed to meet the needs of tenders and large projects. For any enquires about specific opportunities, please contact the team at project@basexx.com
