

EPOS

# IMPACT 1000 Series

IMPACT 1000 is designed for the New Open Office environment. Built on EPOS BrainAdapt™ technology to reduce brain fatigue with adaptive ANC and industry-leading voice pickup powered by EPOS AI™, making sure you're getting your message through.

reddot winner 2023

We are rebranding from EPOS | SENNHEISER to EPOS branding on our products. During the transition period the same product may exist in both versions

# Key Features

## Stay comfortable throughout the day

Lightweight design, soft breathable cushions, and headband padding allow for all-day wearing comfort in the open office.

## Protect your brain in the open office

Hybrid adaptive ANC effectively shuts down noise and helps your brain focus - even in busy open office environments.

## Industry-leading voice pickup for focused conversations

Adaptive microphone technology powered by EPOS AI™ makes sure you're getting your message through.

## A new market standard for open office headsets

Experience a superior open office headset with super wideband and stereo sound. Meets Microsoft Teams Open Office requirements.

## Experience true convenience

Wireless charging stand and smart features make using the headset truly intuitive and hassle-free.
