

DATA SHEET

EASYCONNECT MC1

TABLETOP CABLE GROMMET

The EasyConnect MC1 is a cable management grommet installed in a table. Designed to eliminate cable clutter on the tabletop, it can be equipped with up to three cables. The cables can be retracted so that the connectors are recessed inside the grommet for a clean, finished look.

FEATURES

- Configurable: supports up to three cables
- Supports cables up to 0.25" (6 mm) in diameter
- Cable connectors are recessed/hidden inside the grommet when not in use
- Covered by Biamp Systems' five-year warranty

ARCHITECTS & ENGINEERS SPECIFICATIONS

The cable grommet shall be installed into the top of a table. The cable grommet shall support up to three cables. The maximum outer cable diameter shall be 0.25 inches (6 mm). Warranty shall be five years. The cable grommet shall be Biamp® EasyConnect MC1.
