

All your security needs.
One easy to install 2K camera.

The 4-in-1 security camera to help make your home feel safer.

2K resolution

2 way audio

spotlight

siren

Colour night vision

Easy to Install

Unbox and go with new bluetooth installation - set-up in minutes with just a few screws and no wires.

Realistic Video

2K resolution gives you realistic video so you can see what's happening around your home.

Real-time Talk

Built in speaker & microphone lets you speak to family and visitors or warn off intruders as if you were there yourself.

Powerful Spotlight

Light up 7m of your property with bright spotlight. Have it come on automatically when motion is detected or turn it on manually from the app.

Arlo Secure Subscription

Arlo Secure Plans give you access to cloud storage so you can look back at your video history for up to 60 days via the app.

The Protection Insurance

Every Secure Subscription includes The Protection Insurance, for free. In the unlikely event your camera is stolen - we'll replace it.

Weatherproof

Rain, sun, wind and snow proof. Our super-strong polycarbonate casing - the same material used in bullet-proof glass - means your camera can work in temperatures from -20°C to 45°C.

Loud Siren

Scare off intruders with the built-in 80 db smart siren that can be heard up to 30 metres away. Have it automatically go off if motion is detected or trigger from the app to quickly raise the alarm.

What is in the box for the 2 camera kit:

- (2) Arlo Essential Outdoor Camera
- (1) Quick Start Guide
- (1) USB Charging Cable
- (1) Security Decal
- (2) Wall Mount and Screw Kit

Who is the Arlo Essential Outdoor Camera right for?

- The customer new to home security.
- The customer looking for a simple, comprehensive security system.
- The customer who is cost conscious but still wants quality.

How to install and connect:

- Arlo Essential Outdoor Camera can be positioned using the wall mount and screw kit.
- Connected and controlled via your smartphone.
- Connects to a 2.5Ghz Wi-Fi network through the Arlo app.

TOP TIP

Save money on your energy bills and never worry about charging your camera by purchasing the Arlo Essential Solar Panel for continuous recharging.
