

SCREEN PROTECTOR

MOBILIS® & Care Carry

Privacy filter

Protect efficiently your data from prying.

With the MOBILIS privacy filters, look up your sensitive data, everywhere.

The MOBILIS privacy filters use a micro-blind technology, which allows you to see your data on your screen only when you are facing the screen. No one can watch the screen from both left and right sides.

The privacy filter is the essential work accessory, to work perfectly safe, everywhere : public places, train, plane, and at the office or in groups as well.

- Compatible with LCD screens and laptops
- Compatible with the most part of touch-sensitive screens
- 2 fixing systems for screens with and without frame
- Removable and can be repositioned easily
- Available from 12,1" to 24"
