WIRED

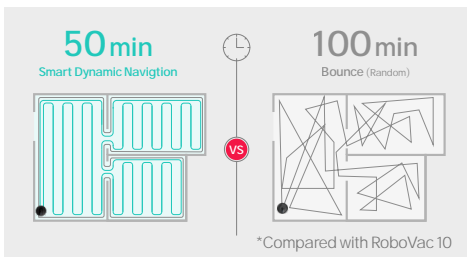

"If you're looking for a slim, effective, and attractive robotic vac that won't break the bank, the eufy RoboVac is your best option."

"Affordable, powerful, and excellent at filtration, this Eufy model is a great choice for anyone thinking about a robot vac, but especially well suited for cleaning carpets and floors after pets have passed through."

THE
TALK
CBS

"Schedule RoboVac to clean with your phone so you can do more important things... or nothing at all... This is amazing because you can keep cleaning while i can keep drinking."

Smart Dynamic Navigation

Gets the job done quicker! Complete a routine clean in half the time, when compared to a standard robotic vacuum.*

Convenient Control

Give instructions by voice or using your phone via the EufyHome app, Amazon Alexa or the Google Assistant. Set detailed commands and receive voice reminders on how your RoboVac is performing.

Hybrid 2-in-1 Vacuum & Mop

Combine sweeping and mopping for a deeper clean that will leave your floors sparkling!

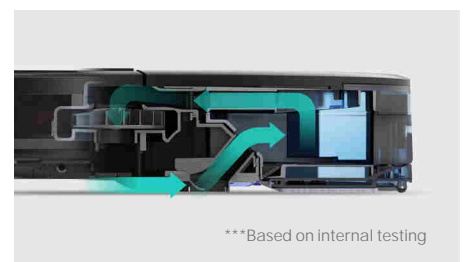

2000Pa Super-Strong Suction Power

With 2000Pa** of suction power, RoboVac G10 Hybrid delivers our most powerful clean to date.

Ultra-Slim Design

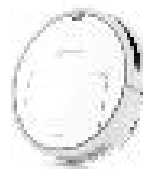

The Super-Slim 2.85" body effortlessly glides under furniture and into hard to reach areas.

A Quiet Clean

Advanced brushless motor significantly reduces vacuuming noise. Produces only 55dB*** of noise while in use - less than a microwave.
