LG 32MR50C-B computer monitor 81.3 cm (32") 1920 x 1080 pixels Full HD Black:

At 1920x1080 resolution, LG's curved Full HD monitor features vibrant color and clarity. Work through your projects with ease and efficiency.

The quick 100Hz refresh rate assures streaming and even casual game play displays smoothly with reduced stuttering and motion blur.

Watch your monitor for longer periods of time. Reader Mode provides optimal conditions for reading by reducing blue light.

You can customize the workspace by splitting the display or adjusting basic monitor options with just a few mouse clicks.
