

POLY Savi 7220 Office Binaural DECT 1880-1900 MHz Headset

Brand : POLY

Product code: 8D3G8AA

Product name : Savi 7220 Office Binaural DECT 1880-1900 MHz Headset

- Everyone in the office could use more flexibility. They can roam confidently 400 ft / 120 m from the headset base with up to 12 hours of talk time. And collaboration is simple, since teams can conference up to four headsets on a single base.

- Savi 7200 wireless headsets offer instant integration with over 800 analog and IP desk phones from industry leading makers – including a wide range of phones that Poly offers.

- Optimize range, save power, and maximize office space with the DECT™ adaptive power system. It automatically adjusts wireless signal strength based on distance from the headset base.

Savi 7220 Office Binaural DECT 1880-1900 MHz Headset
