[Brother TN-426Y toner cartridge 1 pc\(s\) Original Yellow:](#)

Designed to deliver optimal consistency, the genuine Brother TN-426Y Yellow toner cartridge has been developed to create high-resolution monochrome documents from the first to the last time you print. With the capacity to print over 6,500 pages, the TN-426Y refill offers excellent value for money.

This TN-426Y toner cartridge in Yellow has been expertly designed to work seamlessly with your Brother printer, providing you with highest quality results, time after time.

Though using cheaper, non-branded cartridges might save you money in the short-term, they're not as compatible with your machine. It's possible that using these often-inferior products could cause printing problems and even damage your printer - so why take the risk?
