DELL ProSupport Plus 4H 3 year(s):

Comprehensive support for complex IT environments.

The enterprise landscape is changing rapidly, and the pressure to introduce new technologies into your organization while efficiently maintaining existing servers, storage and networking has never been greater. Big Data, virtualization, application modernization, modular infrastructure and cloud computing can result in substantial benefits, but they require an even higher level of expertise. A complex environment means complex processes – and more potential problems. The more you depend on technology, the more important it is to have the right IT support.
