|-----------------------------------|-----------------|----------------------------|--|
| Model | IB-LAN100-C3 | Transfer rate | 10/100/1000 Mbps |
| Article no. | 60826 | Length of cable | 85 mm (± 12 mm) |
| EAN code | 4250078171621 | Plug & Play | Yes |
| Brand | ICY BOX | Chipset | Realtek RTL8153 |
| Colour | Black | Operating system | Windows®, macOS®, Chrome |
| Material | ABS | System requirements | One free USB Type-C® data port on your host computer |
| Interface to host computer | USB 3.0 Type-C® | | |

ICY BOX **IB-LAN100-C3** USB 3.0 Type-C® to Gigabit Ethernet LAN adapter

The new standard

USB 3.0 Type-C® connectors have two decisive advantages over the conventional forms: They are smaller and therefore made for slim notebooks and mobile devices, and it is no longer necessary to insert the plug in a certain orientation. It fits in any way, you don't even have to look at it.

Uncompromisingly fast

The convenience of using the adapter is also evident from the fact that there is no need to purchase an additional Gigabit network card or occupy a PCI or cardbus slot! Adhering to the USB 3.0 specification, this adapter provides true 10/100/1000 Mbps transfer rates without compromise.

No Ethernet connection available?

Then this adapter is exactly what you need: It is connected to the Type-C® interface of your PC, notebook or mobile device via a USB 3.0 Type-C® plug and connected to your LAN cable. A fast and stable internet connection is immediately available; you don't need WLAN.

Logistical data

Packing unit: 40 pcs./carton
Total weight: 2.30 kg
Gross weight: (with packing): 0.047 kg
Net weight: 0.018 kg

Dimension/Carton: 230x215x220 mm
Dimension (with packing): 20x100x85 mm
Dimension of article: 22x60x15 mm
Country of Origin: China
