Take your virtual meetings to the next level. The ThinkVision MC60 Monitor Webcam is an intuitive webcam that offers the most stunning video quality—full 1080p resolution designed to fit on your monitor seamlessly. Capture your best perspectives with different FOV angles of 65/78/90 degrees, autofocus features, and smart controls for seamless collaboration. The ThinkVision MC60 Monitor Webcam is designed to cancel out ambient noise with directional signal transmission technology that optimizes the microphone between private and conference modes to give a tailored audio experience. Its built-in, high-sensitivity dual mics capture clear voice inputs from up to two meters away. Advanced security features such as the privacy shutter and anti-theft functionality ensure privacy protection when you need it the most.
