Get moving with WarioWare: Move It! on Nintendo Switch! Grab a pair of Joy-Con controllers, then gently shake, punch, dance, wiggle, and even curtsy through over 200 lightning-fast microgames (minigames that last just a few hilarious seconds).

A second player can use another set of Joy-Con controllers to join the treasure-guarding, sheep-twirling fun. Up to four players, each with one Joy-Con controller, can laugh out loud in the local Party Mode's minigames, such as a dicey board game with Wario-style rules.
