

Soundcore Sport X10

True Wireless Workout Headphones

Rotate, Set, Go: Twist the 210° rotatable ear hooks until you find the perfect spot for you. The unique design keeps Sport X10 workout earbuds comfortably and securely in place throughout your workout.

Exercise-Proof Buds: Sport X10 workout earbuds have a fully-waterproof, IPX7-rated build that stops liquids in their tracks. For further protection, our exclusive SweatGuard technology defends against the corrosive properties of sweat.

Hardcore Beats for Maximum Motivation: The dynamic acoustic system delivers 2× more bass while preserving the clarity of mids and treble. BassUp technology analyzes and enhances your music's bass in real-time for an extra boost.

Up to 32 Hours Playtime: Get 8 hours of music from a single charge of the workout earbuds and add an extra 3 full recharges via the charging case.

Workout-Fueling Bass: The dynamic acoustic system produces sound with 2× more bass than standard drivers, while BassUp technology analyses the sound in real-time and pumps the bass up even further.

Clear Calls Anywhere: Sport X10 workout earbuds have 6 microphones and noise-cancellation technology to isolate your voice and remove background noise for clear calls. If you're outdoors, turn on Wind Noise Reduction in the app to prevent blustery weather from impacting the clarity of your conversations.

Hybrid Active Noise Cancellation: Stay focused and in your zone by blocking out the noise of gym equipment and other background sounds. Turn on and off via the button on the earbuds or in the Soundcore app.

Transparency Mode: Hear your surroundings and hear what people are saying to you, without removing your earbuds. Activate via the button on the earbud*.

Fast Charging: A speedy 10-minute charge gives you up to 2 hours of listening.

Easy to Open Charging Case: Simply press the button on the charging case to open.
