WALL MOUNTED SLIDE-OUT AV STORAGE TRAY

The BT7888 is the ideal solution for discreetly storing AV equipment, such as power supplies, media players and video conferencing equipment behind a screen. The storage tray can be wall mounted by the side or below the screen mount and positioned in either a portrait or horizontal orientation. AV accessories are easily fitted to the retractable, quick-release storage tray using the supplied cable ties, which can also be used for cable management.

SPECIFICATION

Max load	10kg
Max AV equipment size	450 x 250 x 50mm
Bracket dimensions	590 x 350 x 35mm
Depth from wall	35mm

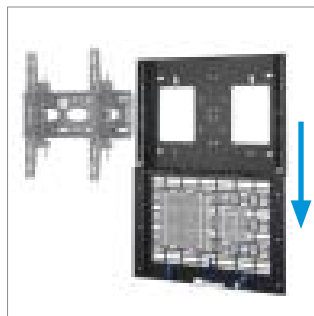

FEATURES

- Wall mount designed for storing AV equipment behind a screen
- Suitable for a variety of different sized AV devices
- Low profile design
- Works in conjunction with a range of B-Tech flat screen wall mounts
- Mounts to the side or below a flat screen wall mount
- Suitable for a landscape or portrait installation
- Tray can be mounted to slide out left, right or down which allows the tray to be easily accessed without screen removal
- Removable tray with quick release
- Features a handle for quick access and easy handling*
- Also mounts to System X BT8390 mounting rails, B-Tech columns or can be pole mounted using accessory collars
- Selection of cable ties supplied to secure AV equipment to tray and for cable management
- Keyhole wall mounting for an easy installation

*Optional: A padlock (not supplied) can be added to help prevent the removal of the tray from the wall mount
