Wireless Noise Cancelling Stereo Headset
Model: YY2968
The term "product" in this document refers to the unit or its accessories.
Do not install the product in a confined space, such as inside a car or inside a cabinet.
Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or the heat of a hair dryer.
Do not subject the batteries to extreme low temperature conditions that may result in overheating and thermal runaway.
Do not dismantle, open or remove secondary batteries. In the event of a secondary battery leaking, do not allow the liquid to come in contact with the skin or eyes. If contact has been made, wash the affected area with copious amounts of water and seek medical advice.
Secondary batteries need to be charged before use. Always refer to the manufacturer's instructions or product manual for proper charging instructions. After extended periods of storage, bring to necessary to charge and discharge the secondary batteries several times to obtain maximum performance.
Dispose of properly.

Notice for customers: the following information is only applicable to products sold in countries/regions applying EU directives and/or UK applying relevant statutory instruments

This product has been manufactured by or on behalf of Sony Corporation, EU and UK Importer: Sony Europe B.V. (hereinafter referred to as "importer") to product compliance in Europe should be sent to the manufacturer's authorized representative. Sony Europe B.V., Da Vinciplant 7-01, 1930 Zaventem, Belgium.

Inquiries to the UK Importer or related to product compliance in the UK should be sent to the manufacturer's authorized representative, Sony Europe B.V., The Heights, Brooklands, Weybridge, Surrey KT13 0PL, United Kingdom. For more information, please contact the importer. Hereby, Sony Corporation declares that this equipment is in compliance with Directive 2014/53/EU and that the EU declaration of conformity is available at the following internet address: https://compliance.sony.eu

Herby, Sony Corporation declares that this automatic doors, or near fire alarms.

On carrying the unit

- Be sure to use the supplied USB Type-C cable.

Notes on wearing the unit

- After use, remove the headphones slowly.
- Because the headphones achieve a tight seal over the ears, forcibly pressing them against your ears, or quickly pulling them off can result in eardrum damage. When wearing the headphones, the speaker diaphragm may produce a click sound. This is not a malfunction.

Other notes

- If you experience discomfort while using the unit, stop using it immediately.
- If you have any questions or problems concerning this unit that are not covered in this manual, please contact your nearest Sony dealer.

Location of the serial number label

- the bottom of the charging case

Specifications

Headset
Power source: DC 3.85 V, Built-in lithium-ion rechargeable battery
Operating temperature: 0 °C to 40 °C
Rated power consumption: 0.5 W (Headset), 2.0 W (Charging case)
Mass: Approx. 4.6 g x 2 (Headset including eardub tips (M))
Approx. 31 g (Charging case)

Included items:

- Wireless Noise Cancelling Stereo Headset (1)
- USB Type-C cable (USB-A to USB-C)* (approx. 20 cm (1))
- Hydrolytic silicone rubber eardub tips (S) (1 line) (2), M (3 lines) (attached to the unit at the factory)
- (2), L (5 lines) (2)
- Charging case (1)
- Documents (1 set)

Communication system

- Bluetooth Specification version 5.2

Output:

- Bluetooth Specification Power Class 1

Frequency band:

- 2.4 GHz band (2,400 MHz - 2,483.5 GHz)

Operating frequency:

- Bluetooth: 2,400 MHz - 2,483.5 MHz

Maximum output power:

- Bluetooth: < 10 dBm

Design and specifications are subject to change without notice.

System requirements for battery charge using USB AC adaptor

A commercially available USB AC adaptor capable of supplying an output current of 0.5 A (500 mA) or more.

Never insert the USB plug when the unit or charging cable is wet. If the USB plug is inserted while the unit or charging cable is wet, a short circuit may occur due to liquid (tap water, seawater, soft drink, etc.).

If the eardub tips are not securely attached, they may fall off and remain inside the ear during use. Make sure that the eardub tips are securely attached before using the unit.

Do not use in hazardous areas unless the surrounding sound can be heard.

High volumes may adversely affect your hearing. Do not use the unit while walking, driving, or cycling. Doing so may cause traffic accidents.

Do not use in hazardous areas unless the surrounding sound can be heard.

High volumes may adversely affect your hearing. Do not use the unit while walking, driving, or cycling. Doing so may cause traffic accidents.

Do not use in hazardous areas unless the surrounding sound can be heard.

High volumes may adversely affect your hearing. Do not use the unit while walking, driving, or cycling. Doing so may cause traffic accidents.

Do not use in hazardous areas unless the surrounding sound can be heard.

High volumes may adversely affect your hearing. Do not use the unit while walking, driving, or cycling. Doing so may cause traffic accidents.

Do not use in hazardous areas unless the surrounding sound can be heard.

High volumes may adversely affect your hearing. Do not use the unit while walking, driving, or cycling. Doing so may cause traffic accidents.

Wireless Noise Cancelling Stereo Headset
Modèle: YY2968
Le terme "produit" dans ce document se réfère à l'unité ou à ses accessoires.
N'installez pas le produit dans un espace confiné, tel qu'à l'intérieur d'une voiture ou d'un placard.
N'exposez pas les piles (pack de piles ou piles installées) à une chaleur excessive, telle que la lumière du soleil, le feu ou l'air chaud d'un sèche-cheveux.
N'exposez pas les piles à des températures extrêmes, telles que le froid ou la chaleur d'un sèche-cheveux.
N'essayez pas de démonter les piles. En cas de fuite d'un liquide, ne touchez pas le liquide et ne touchez pas vos yeux. Si le liquide entre en contact avec la peau ou les yeux, rincez abondamment à l'eau courante. Si le liquide entre en contact avec vos yeux, consultez un médecin.
Les piles ont besoin d'être chargées avant utilisation. Consultez toujours les instructions du fabricant ou le manuel de l'utilisateur pour les informations relatives à la charge et à la décharge des piles.
Après une utilisation prolongée, ramenez les piles à température ambiante et rechargez-les plusieurs fois pour obtenir les performances optimales.
Éliminez les piles usées correctement.

On a water resistant of the unit

- The charging case is not water resistant.
- Unless the unit is used correctly, water may get into the unit and cause malfunctions. Please read the instructions. Note the following cautions carefully and use the unit correctly.

To maintain water resistant performance

- Use the unit in the following conditions to ensure proper use of the unit.
- Do not splash water forcibly into the sound openings.
- Do not immerse the unit in water, and do not use underwater.
- Do not drop the unit into water, and do not use in water.
- Do not allow the unit to remain wet in a cold environment. If the unit is wet, use a towel to prevent malfunction, make sure to wipe off any water after use.
- Do not place the unit in water or use it in a humid place such as a bathroom.
- Do not drop the unit or expose it to mechanical shock. Doing so may deform or damage the unit, resulting in deterioration of water resistance performance.

On BLUETOOTH® communications

- Microphones emitting from a Bluetooth device may affect the operation of electronic medical devices. Turn off this unit and other Bluetooth devices in the following locations:
- hospitals, near priority signaling in trains, locations where inflammable gas is present, near automatic doors, or near fire alarms.

On carrying the unit

- Be sure to use the supplied USB Type-C cable.

Notes on wearing the unit

- After use, remove the headphones slowly.
- Because the headphones achieve a tight seal over the ears, forcibly pressing them against your ears, or quickly pulling them off can result in eardrum damage. When wearing the headphones, the speaker diaphragm may produce a click sound. This is not a malfunction.

Other notes

- If you experience discomfort while using the unit, stop using it immediately.
- If you have any questions or problems concerning this unit that are not covered in this manual, please contact your nearest Sony dealer.

Modell: YY2968
Der Begriff „Produkt“ bezieht sich in diesem Dokument auf das Gerät oder sein Zubehör.
Stellen Sie das Produkt nicht in einem geschlossenen Raum, wie zum Beispiel in einem Koffer, auf, wo keine ausreichende Luftzufuhr gegeben ist.
Batterien (Akkusätze oder eingeklebte Batterien) dürfen nicht in einem geschlossenen Raum, wie zum Beispiel in einem Koffer, auf, wo keine ausreichende Luftzufuhr gegeben ist.
Wärmeentwicklung ausgesetzt werden, wie z.B. Sonneneinstrahlung, Feuer o.ä.
Sobald Sie das Produkt in einem extrem niedrigen Temperaturumfeld aus, Überhitzung und thermisches Durchgehen zur Folge haben können.
Zerlegen, öffnen oder zerlegen Sie kein Akku. Versuchen Sie, die Batterie nicht zu überhitzen. Lassen Sie austretende Flüssigkeiten nicht in Kontakt mit Haut oder Augen kommen. Wenn zu einem Kontakt mit austretenden Flüssigkeiten gekommen ist, waschen Sie die betroffenen Stellen mit reichlich Wasser und suchen Sie einen Arzt auf.
Akkus müssen vor Gebrauch aufgeladen werden. Beachten Sie stets die Ladeanweisungen in den Anweisungen des Herstellers oder im Produktmanua.
Nach längeren Lagerzeiten kann es zum Erzielen der maximalen Leistung erforderlich sein, die Akkus mehrmals zu laden und zu entladen.
Ordnungsgemäß entsorgen.

El término "producto" en este documento se refiere a la unidad o sus accesorios.
No instale el producto en un espacio reducido, como un estantero o un armario empotrado.
No exponga las pilas (paquete de pilas o pilas instaladas) a un calor excesivo, como la luz del sol, el fuego o los calentadores durante un periodo prolongado.
No exponga las pilas a condiciones de temperatura extremadamente bajas, ya que podría producirse sobrecalentamiento y fuga térmica.
No desmonte, abra ni corra las baterías secundarias. En caso de fuga de una batería secundaria, no deje que el líquido entre en contacto con la piel o los ojos. Si se ha producido contacto, lávelo con abundante agua. Haga que cargue las baterías secundarias antes de utilizarlas. Consulte siempre las instrucciones del fabricante o el manual del producto para conocer las instrucciones de carga adecuadas.
Después de periodos prolongados de uso, es posible que se deba cargar y descargar las baterías secundarias varias veces a fin de alcanzar su rendimiento máximo.
Después de un uso prolongado, devuelva las pilas a temperatura ambiente y recargue las pilas varias veces para obtener el máximo rendimiento.
Elimine correctamente.
