

Lenovo L24e-40 Monitor

Superb for work, superb for play.

Made to do it all in style!

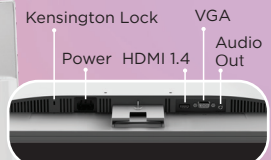

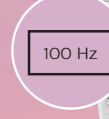

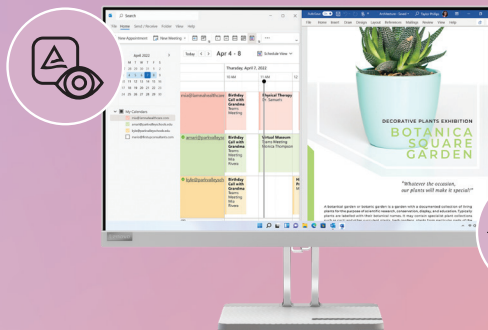

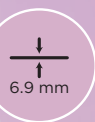

Lenovo's L24e-40 monitor is crafted to be the perfect tool to boost your productivity and look good while doing it. The monitor's slim 6.9 mm ultraslim head design and cloud grey color elevate the aesthetics of your workspace. Whether you're at work or home, get more done in all your presentations and documents on the large, 3-side NearEdgeless 23.8-inch screen. View all work-related content in great clarity on the 1920 x 1080, FHD panel. Collaborate easily with your colleagues, thanks to the wide viewing angles of the VA panel. Get color-critical work done in a pinch without any color accuracy woes, using the monitor's 72% NTSC color gamut coverage. Your favorite games run buttery smooth and stutter-free on the Lenovo L24e-40 Monitor backed by a 100 Hz refresh rate and AMD FreeSync™ technology support. Connect any computer to the monitor without having to worry about port availability using the HDMI or VGA ports. Enjoy a contemporary-looking desk setup with the monitor's modern, stylish stand and wave pattern base design. Rid your desk of all the cable clutter with clever cable management and a phone stand built into the monitor stand. The Natural Low Blue Light technology and Eyesafe 2.0 and TÜV Hardware Low Blue Light certifications together ensure that your eyes stay protected as you work away. Whether it's changing basic display settings or accessing advanced tools, Lenovo's Artery Software² makes it easy and convenient. Made of 85% recycled resin this monitor does its best to be sustainable. If you're looking for a one size fits all monitor, Lenovo's L24e-40 is the option for you.

Features of Lenovo L24e-40 Monitor

Minimalism at its best

The Lenovo L24e-40 Monitor's sleek and minimal design looks right at home with any modern desk setup. Its 6.9 mm slim head design frees up space on your desk while also adding to the monitor's futuristic aesthetic. The stylish stand design and wave-patterned base give the monitor a contemporary appeal, and its cloud grey color only adds to its sophisticated style. The stand's integrated phone holder and cable management let you clear the clutter for more desk space.

Engineered for viewing comfort

Collaborate with your teammates to get work done quickly on the VA panel with its wide viewing angles. Keep working for hours on end with the Lenovo L24e-40 Monitor without worrying about straining your eyes, thanks to its Eyesafe 2.0 and TÜV Hardware Low Blue Light certifications. Protect your eyes from exposure to harmful blue light with its Natural Low Blue light technology. See more of your documents on the contemporary 3-side NearEdgeless display.

Made for work and play

Excel at both work and play on the Lenovo L24e-40 Monitor. Get color-critical work done with confidence with its 72% NTSC wide color gamut coverage. Enjoy your favorite games without any stutter and lag - thanks to the display's 100 Hz refresh rate and AMD FreeSync™ support. Connect any computer to the monitor without worrying about port compatibility using the HDMI, VG, and audio out ports.

¹ AMD FreeSync™ technology only can work with AMD Radeon™ series graphics card. | ² This software can only be used with Windows 10 & Windows 11.
