2K HD Wide View

Camera and Light

Up to 2 Months of Storage

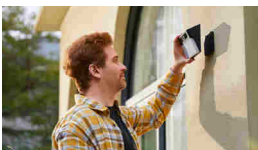

IP65 Weather Resistance

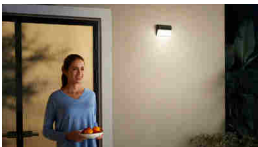

100% Wireless Forever Power* Solar Charging

The built-in battery provides up to 60 days of battery life in energy-saving mode, while 2 hours of solar charging gives over a day of power for the camera.

3-Step Installation in Under 5 Minutes

Stick, Light, Watch! Install anywhere in 5 minutes, no wiring involved, and no further maintenance required.

Light Up Your Life With Smart Illumination

The light turns on and off via manual, motion, and Amazon Alexa and the Google Voice Assistant activation. Choose the options that suit you and make your everyday lighting worry free.

Capture Every Detail

Live streams and recordings are in full 2K HD detail, so it's easy to see every detail. Color Night Vision ensures recordings are vivid and sharp.

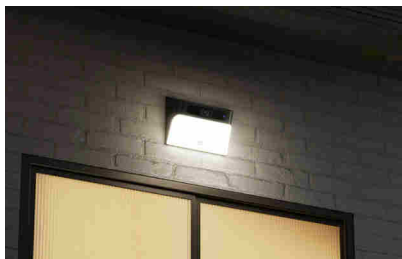

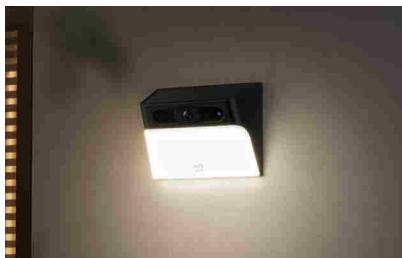

Motion Activated Light

The light turns on automatically when you pass by. Motion activation can be turned on or off at any time.

Protect Your Family with Smart Detection

The PIR sensors provide 120° of customizable detection, with motion zones to fine-tune the focus areas. If something is detected, take action and sound the 105 dB siren with bright lights as an alarm to deter burglars and trespassers.
