Key Features

- 165Hz refresh rate for smooth gameplay
- 1ms (MPRT) response time for precision
- 1500R curved screen for immersive visuals
- AMD FreeSync™ Premium prevents screen tearing
- QHD 1440p resolution for rich details

Product **Description**

The ViewSonic VX3218C-2K features a 32" QHD display with a 1500R curve for bigger, more immersive gameplay. The hyper-responsive 165Hz refresh rate renders your games with ultra-smooth graphics. A clean design removes the bulk of larger monitors, and a borderless display with sleek dimensions enhances this big screen experience. AMD FreeSync™ Premium prevents screen tearing and stuttering for fluid gameplay and the 1ms MPRT response time enables you to react in-game with speed and precision. The VX3218C-2K is also equipped with ViewSonic's exclusive ViewMode™ presets, which offer optimized screen performance for a variety of needs, such gaming, editing, or watching movies. In addition, a DisplayPort and HDMI inputs offer flexible connectivity for gaming and entertainment.
