

iMouse™ S200B Bluetooth® Wireless Ergo Mouse

www.adesso.com

Bluetooth 3.0 wireless technology offers 30 feet of wireless freedom, plus lower battery consumption, higher security encryption than Bluetooth 2.0

■ Ergonomic Design

The iMouse S20 ergonomic design provides a comfortable grip and eliminates hand strain, while giving great cursor control.

■ Adjustable DPI Switch

Quickly and easily adjust DPI resolution (500/ 1000/ 1500) for a faster response with the convenient DPI Switch located at the top of your mouse.

■ Battery-Saving

Use the battery-saving on/off power switch on mouse base to extend battery life and reduce the need to change batteries.

■ Internet Navigational Buttons

Two Internet navigational buttons, back and forward, are conveniently located on the left side of mouse to provide you with Internet browser control with minimal hand movement.
