Cable Length	6 ft. (1.8 m)

Requirements:

Operating System	Windows® 7 & above Mac® OS X 10.6
Connectivity Interface	USB port

Includes:

- Adesso iMouse W3
- Quick Start Guide

Shipping Information:

Item	UPC Code	Package Dimensions	Package Weight	Qty/Carton
iMouse W3	783750007573	9.4" x 6.8" x 3.3"	0.5 lb.	20/80

Waterproof Design

The Adesso iMouse W3 has a waterproof design in which moisture or liquids cannot penetrate due to a sealed housing which protects the internal components from any damage. Don't worry about any accidental spills damaging your iMouse W3 because there are no cracks, gaps, or holes in this design.

Built-In Matgnetic Scroll Wheel

With 4 built-in magnets inside the scroll wheel, scrolling has never been smoother. Air-tight gaps are able to surround the scroll wheel and not effect scrolling functionality and liquids are unable to damage the scroll sensor.

Antimicrobial

Made with antimicrobial material which prevents the growth of harmful bacteria and protects against the build up germs between washings.

1000 DPI Resolution

The iMouse W3 provides responsive, smooth cursor control and precise tracking and easy text selection thanks to high-definition optical tracking (1000 DPI).

Enhanced Optical Sensor

Optical sensor technology improves precision and even lets you work on most glass,wood,marble and leather surfaces without a need of mouse pad.
