

PC 7 USB

Single-sided USB headset

The PC 7 USB single-sided headset is designed for e-learning and internet telephony use, and also for those that prefer to keep one ear free for situational awareness. Proprietary transducer technology delivers high quality audio while the unidirectional microphone is designed with passive noise-cancellation for clear conversation.

Plug-and-play simplicity with the USB connector ensures instant connection to your PC or laptop. This lightweight on-ear headset is designed for comfort, and careful material choice ensures durability for daily use. For long term sustainability, the ear pads are replaceable and spares purchasable from our website. For internet telephony and e-learning use on Mac® or PC, the PC 7 USB single-sided headset delivers the quality you can trust.
