

Doro 5860

Easy mobile phone with wide display

This 4G bar phone is ideal for seniors who want basic functionality combined with great sound and ease of use. Separated, high contrast keys, a 2.4" landscape display and extra loud and clear sound all help to make everyday calling and texting easier. There is also a 2 MP camera with flash for taking and sharing photos. Other features include enhanced audio with HD voice, HAC (Hearing Aid Compatibility), built-in torch and an assistance button that can be used to alert up to five trusted friends or relatives if help is needed.

- **Hear more thanks to loud and clear sound**
- **See more on the wide display**
- **Feel more secure with assistance button**
