

Installation Guide

SPDS522

Universal Flat Wall Mount

CAUTION

- This product must be installed by a professional installer.
- This product is designed to be wall mounted. Before installing please verify that the wall can bear the combined weight of the solution and hardware. Standard fixings for wooden material and fixings for concrete material are supplied as part of the product, but they will not be suitable for all types of walls.
- It is the responsibility of the installer to use appropriate fixings for the specific installation location.
- The maximum weight limit for this product is 80 kg. Do not exceed the stated weight limit.
- This product is intended for indoor use only.
- If these installation instructions are not followed precisely, it could lead to product failure and potential personal injury.
- Ergonomic Solutions / SpacePole inc. cannot be held responsible for any failure or injury, if the installation instructions are not followed correctly.
