

# HP Bright White Inkjet Paper

This specially treated paper delivers smooth lines and text, uniform fills and high-contrast colour and is perfect for everyday black and colour line drawings.

- Dries instantly and therefore ensures maximum productivity.
- Provides an economically priced, multipurpose paper that is perfect for everyday applications.
- Offers choice of roll lengths including 91m for reliable, trouble-free unattended printing.
- Available in true A1 and A0 size – to increase the productivity in the workflow – no trimming or cutting time wasted anymore before folding or framing.

This economical paper is designed for print service providers, engineers (CAD), architects (AEC) and Geographical Information System (GIS) users for applications such as check plots, posters, POP and retail displays as well as everyday presentations.
