

ThinkCentre M60e Tiny

Creating solutions for SMBs and providing tools to excel in the workplace is one of the driving factors behind the innovative compact Tiny series of desktops. With the modern office shrinking in size and becoming flexible in location, so has the desktop computer.

The latest generation of desktops in this class, ThinkCentre M60e Tiny, crams serious performance in a diminutive package. Made to blend seamlessly into today's shifting and shrinking workspaces, the M60e makes big ideas possible with up to Intel® Core™ i5 processors, bringing much-needed performance, speed, and potential to every desk. Bundled to fit seamlessly anywhere around the work desk, it is positioned as a viable upgrade to SMBs looking for an entry-level desktop suited for employees in non-specialized, general office roles.

Lenovo

Up to 10th Gen Intel® Core™ i5 processor

ThinkCentre M60e

FULL-SIZE PERFORMANCE

This Tiny desktop boasts full-size processing power with up to Intel® Core™ i5 processors and up to two DDR4 SODIMM (2133MHz) that allow users to configure ThinkCentre M60e to meet their needs.

SECURITY INSIDE AND OUT

ThinkCentre devices allow your employees to innovate fearlessly with the reinforced security of ThinkShield—the most comprehensive, end-to-end security solution on the market that combines industry-leading hardware, software, services, and processes to protect your ideas and your business. ThinkCentre M60e has built-in ThinkShield features, including firmware TPM 2.0, in addition to many more security features that can be customized to meet your unique needs. Meanwhile, a Kensington™ Cable Lock slot keeps thieves from literally walking away with your data.

EASY EXPANDABILITY

ThinkCentre M60e is designed to grow with your business. From industry-specific equipment to legacy peripherals, this desktop can connect them all.

SCALABLE UPGRADEABILITY

ThinkCentre M60e is easy to deploy, upgrade, and manage thanks to built-in driver support for older OS versions. Toolless access to the SSD and memory module make expansion and maintenance fast and efficient.

ENHANCED USER EXPERIENCE

ThinkCentre M60e is designed with people—and shrinking workspaces—in mind. Its sleek, modern design and compact 1L form allow this Tiny PC to fit seamlessly into modern offices, small businesses, or retail environments either sitting out, mounted out of the way, or bundled with Tiny-in-One (TIO). Users can connect ThinkCentre M60e to as many as two displays for maximum multitasking, while a USB-C port located on the front panel offers fast charging and quick data sharing.

purposeful design

ThinkCentre M60e enhances the computing experience with practical features like Smart Power On, which allows users to turn on the desktop using a simple keyboard shortcut. This is especially useful when ThinkCentre M60e—and its power button—are bundled inside TIO.

relentless innovation

We are inspired by our customers and what they want from our devices. It shows in the variety of mounting options we offer for ThinkCentre M60e and the added value this device presents when bundled with TIO. This combination allows businesses to upgrade monitors and PCs separately to save budget and offers users an even more clutter-free, space-saving design.

trusted quality

Lenovo's dedication to constantly improving product quality means rigorous testing for durability and reliability, which results in our products achieving one million hours mean time between failure. In addition to our extensive in-house testing for real-world challenges.

optional services

Lenovo offers a comprehensive portfolio of services to support and protect your ThinkCentre investment—so you can focus on your work, not your IT.

PREMIER SUPPORT

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

ACCIDENTAL DAMAGE PROTECTION (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage.

WARRANTY EXTENSION (1-YEAR BASE, UP TO 3 YEARS TOTAL)

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

accessories

THINKCENTRE TINY VESA MOUNT II

The ThinkCentre Tiny VESA Mount II is uniquely designed to house the Tiny PC. This versatile mount device can be used separately or combined with other options for a secure mounting functionality.

THINKCENTRE TINY SANDWICH KIT II

The Tiny Sandwich Kit II is a mechanical bracket that enables more desktop and floor space while providing a secure solution to protect your Tiny PC. This attractive space-saving solution is constructed of high-grade steel and mounts easily. The open architecture provides easy access to various ports and control buttons of your ThinkCentre Tiny PC.

THINKCENTRE TINY IV DVD BURNER KIT

The ThinkCentre Tiny IV DVD Burner Kit provides excellent read/write capabilities using SATA interfaces for speedy execution. You just need to insert this DVD Burner to the VESA Mount to enjoy crisp, clear DVD playback and reliable DVD recording with your ThinkCentre Tiny DVD solution.
