

# HP Premium

For a high-quality look and feel. Whiter and brighter than ordinary office papers. Heavier and thicker too, with optimized stiffness.

Designed for superior performance with inkjet and laser printers.

Ideal for presentations, offers and other business documents that require colour and a professional look. In the office or home, it is perfect for documents such as presentations, offers, reports, handouts, graphics, letterheads and commercial proposals.

Premium look & feel

Excellent durability

Superior performance
