

1080p DisplayPort to HDMI Cable

DisplayPort Male to HDMI Male Cable, 1 m (3 ft.), Black
Part No.: [152662](#)

An indispensable companion for your DisplayPort PC

For the simplest and most discreet installation, this DisplayPort to HDMI cable connects your DisplayPort video source to the HDMI port on your display. It doesn't need a power source, unlike some converter dongles that require active power and separate bulky video cabling. This cable lets you enjoy movies on a big-screen HDTV, extend your desktop to a second monitor (up to 1080p) for an expanded workspace or show presentations on a projector at school or work without needing any other adapter or converter.

Features:

- Connects your DisplayPort source to your HDMI-equipped Full-HD display
- Supports Full-HD video resolution up to 1080p@60Hz (1920x1080p)
- Supports audio pass-through for uncompressed digital 7.1, 5.1 and 2 channels
- Supports Full-HD video resolution up to 1080p@60Hz (1920x1080p) and audio pass-through for uncompressed digital 7.1, 5.1 and 2 channels
- HDCP compatible for protected content
- Offers a latching DisplayPort connector to provide a secure connection
- Converts a signal from a DisplayPort source to an HDMI display only; not bi-directional
- Plug-and-Play
- Three-year warranty

Specifications:
