Reinforced Cable

Assembly Instructions

Follow these instructions for the successful assembly of your Reinforced Cable.

*Reinforced Cable is sold (at additional cost) as an optional extra. Purchase of the Reinforced Cable negates the need for purchasing the Bouncepad Right Angle Cable.

A Reinforced Cable - In the Box

B Feed the looped end of the Reinforced Cable through the Case, Mounting Arm & Freestanding Base.

C Secure the Reinforced Cable to the Bouncepad Case with the remaining Spring Washer & Buttonhead screw.

D Secure the looped end of the Reinforced Cable. Must be secured next to the power socket used.

! Return to Step 3 to complete the installation of your Bouncepad.
