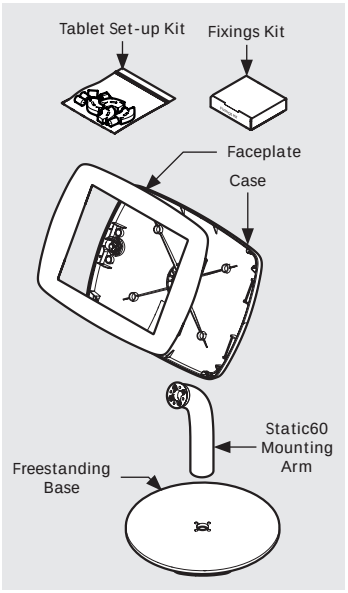
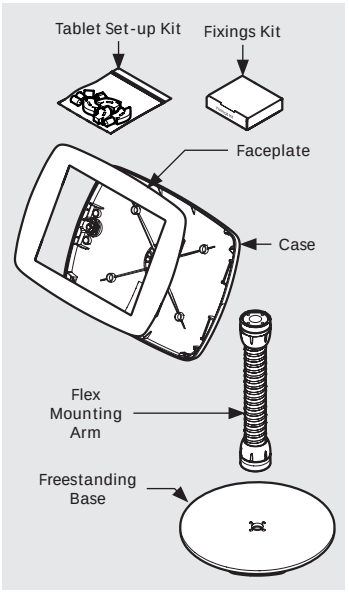
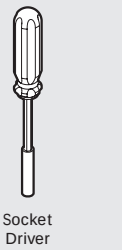
A Counter - In the Box

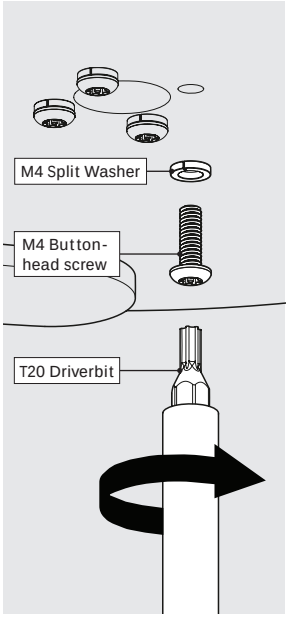


B Counter 60 - In the Box

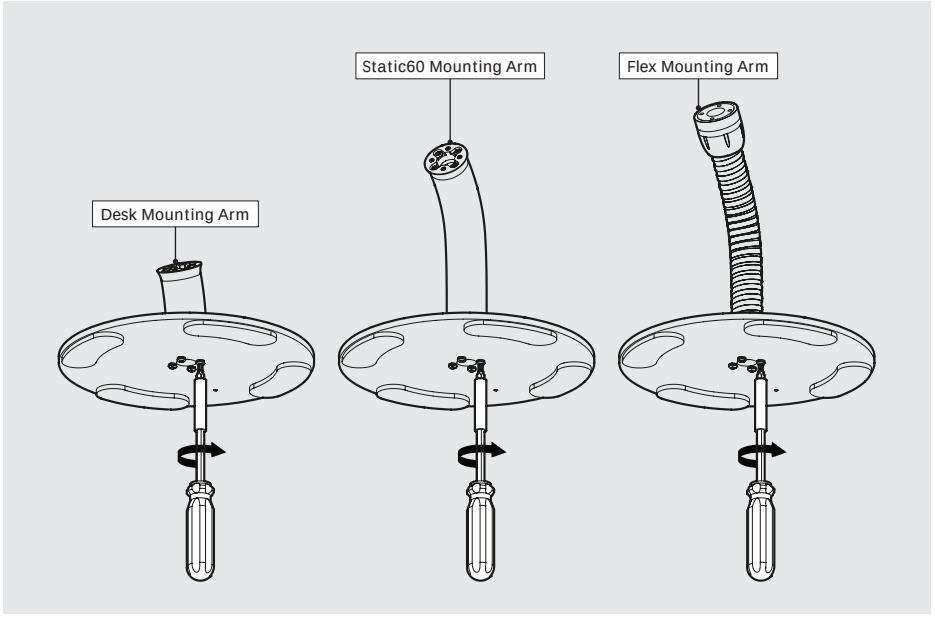


C Counter Flex - In the Box



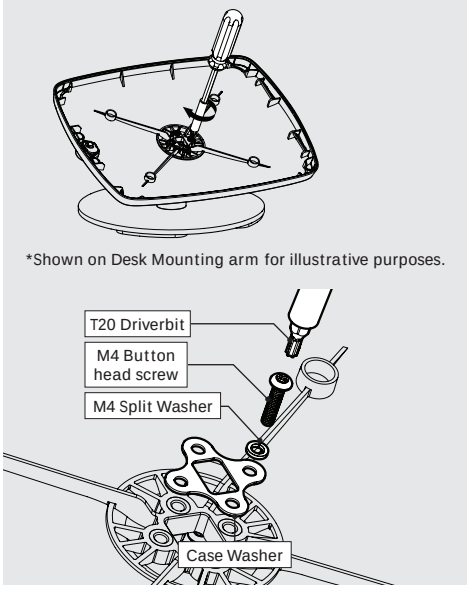


0 Tools Required

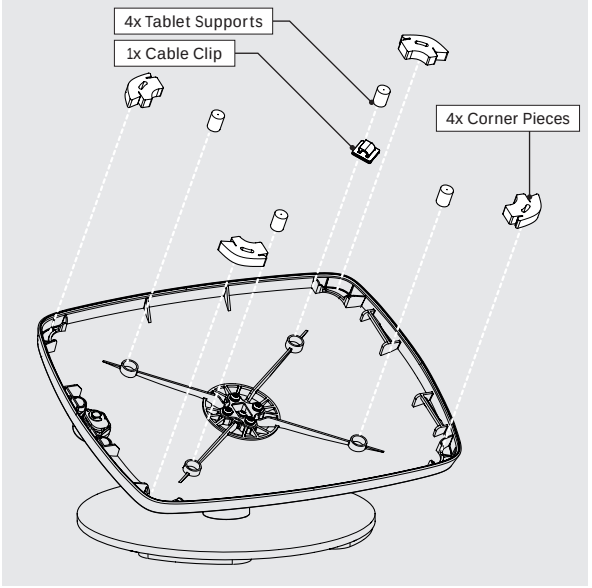


1 Attach your chosen Mounting Arm to the Freestanding Base. Ensure the correct □xings are used for your assembly.

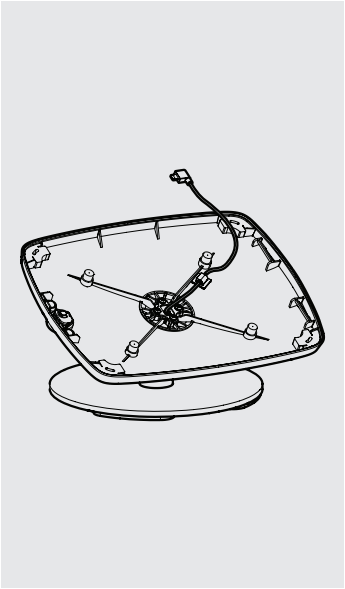
! If installing the optional (purchased at additional cost) Reinforced Cable, go to Step A.
Install only three of the four Buttonhead screws & Split Washers in Step 2 if installing the Reinforced Cable.



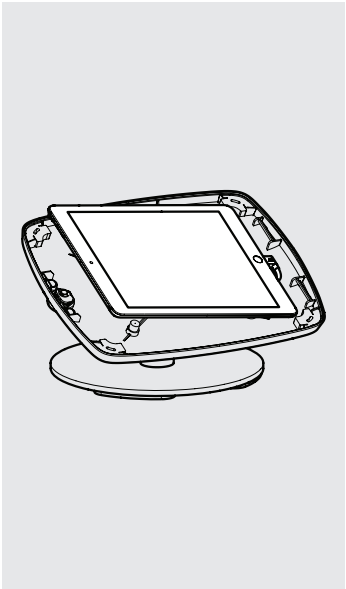
2 Attach the Bouncepad Case to its Mounting Arm. Take care to ensure correct & full thread engagement.



3 Install the Tablet Setup Kit. Each kit is speci□c per tablet device and Bouncepad Case.

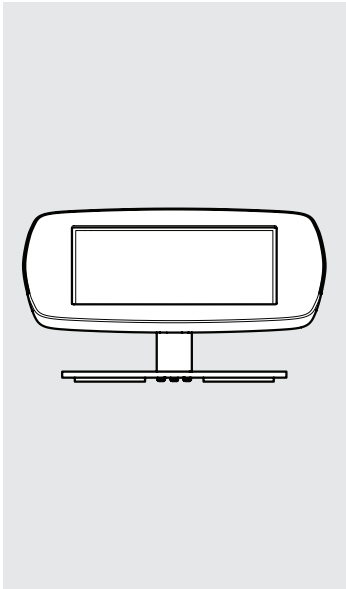


4 Feed the cable through the Case. Connect to its power supply.



5 Install your Tablet into the Case - connecting its power supply cable.

6 Locate the Faceplate onto the Bouncepad Case.



7 Lock the Faceplate to the Case. Installation complete.

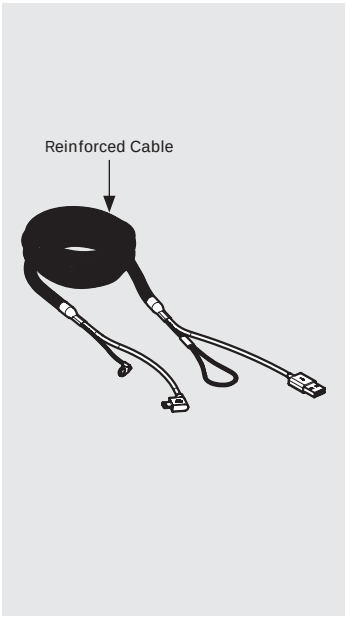
Reinforced Cable

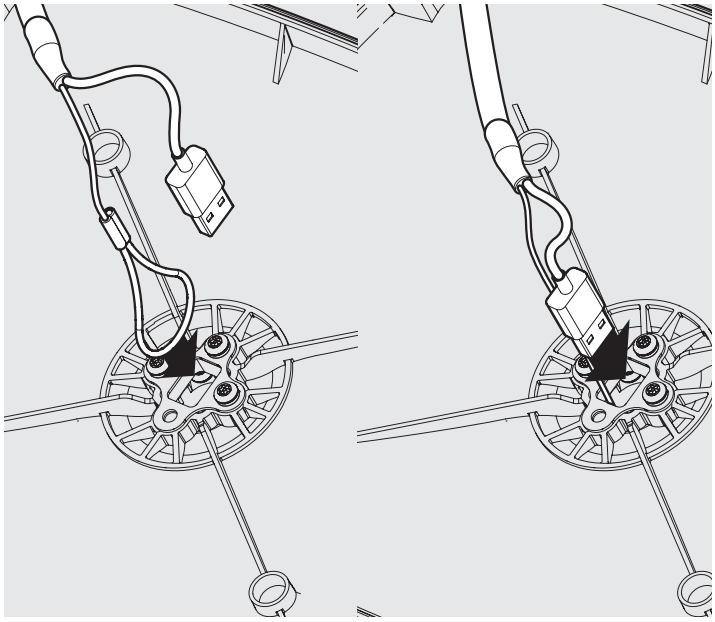
Assembly Instructions

Follow these instructions for the successful assembly of your Reinforced Cable.

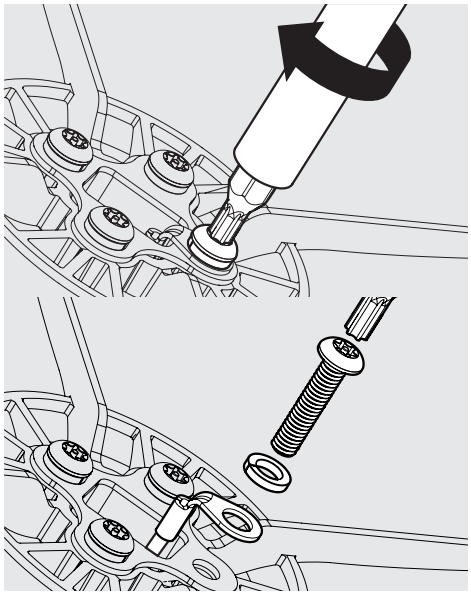
*Reinforced Cable is sold (at additional cost) as an optional extra. Purchase of the Reinforced Cable negates the need for purchasing the Bouncepad Right Angle Cable.



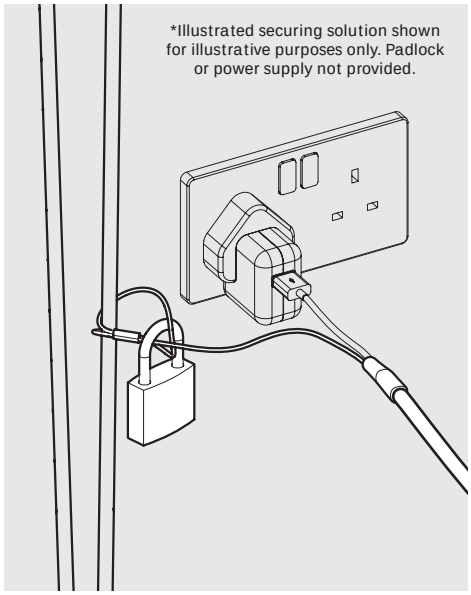
A Reinforced Cable - In the Box



B Feed the looped end of the Reinforced Cable through the Case, Mounting Arm & Freestanding Base.



C Secure the Reinforced Cable to the Bouncepad Case with the remaining Spring Washer & Buttonhead screw.



D Secure the looped end of the Reinforced Cable. Must be secured next to the power socket used.

! Return to Step 3 to complete the installation of your Bouncepad.
