

Heckler AV Cart Prime

H700

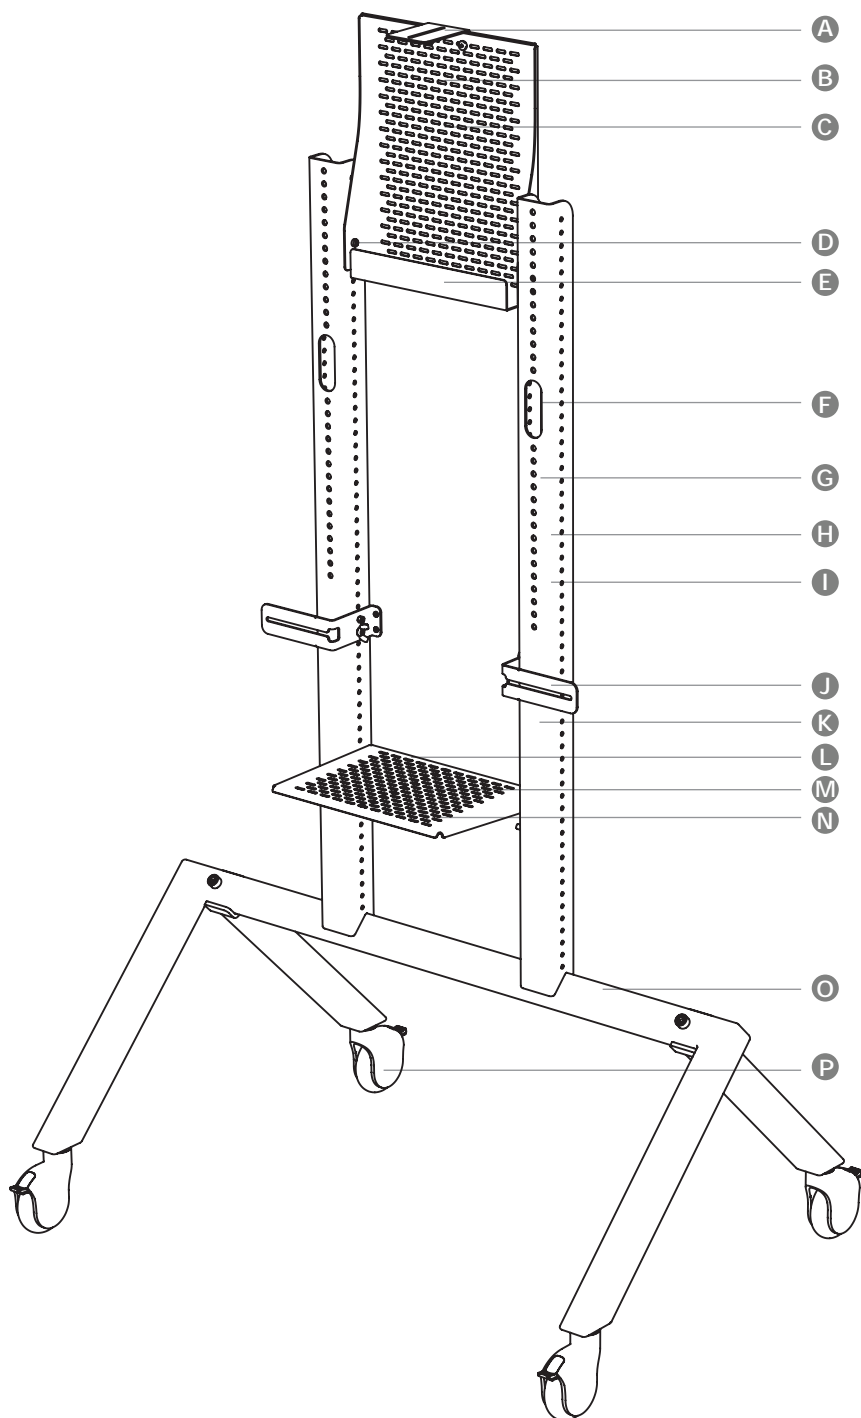

Build your perfect video cart for flexible office spaces, distance learning, and all-hands meetings with Heckler AV Cart Prime. It has slick looks, commercial-grade construction, nest-ability, and native support for mounting the latest video conferencing equipment. This new edition ships with Device Panel, Control Shelf, and Soundbar Kit all in one box. This means you can configure your cart with the latest and greatest cameras, appliances, controller, and NUCs with ease - above or below your display.

Heckler AV Cart Prime

H700

Features

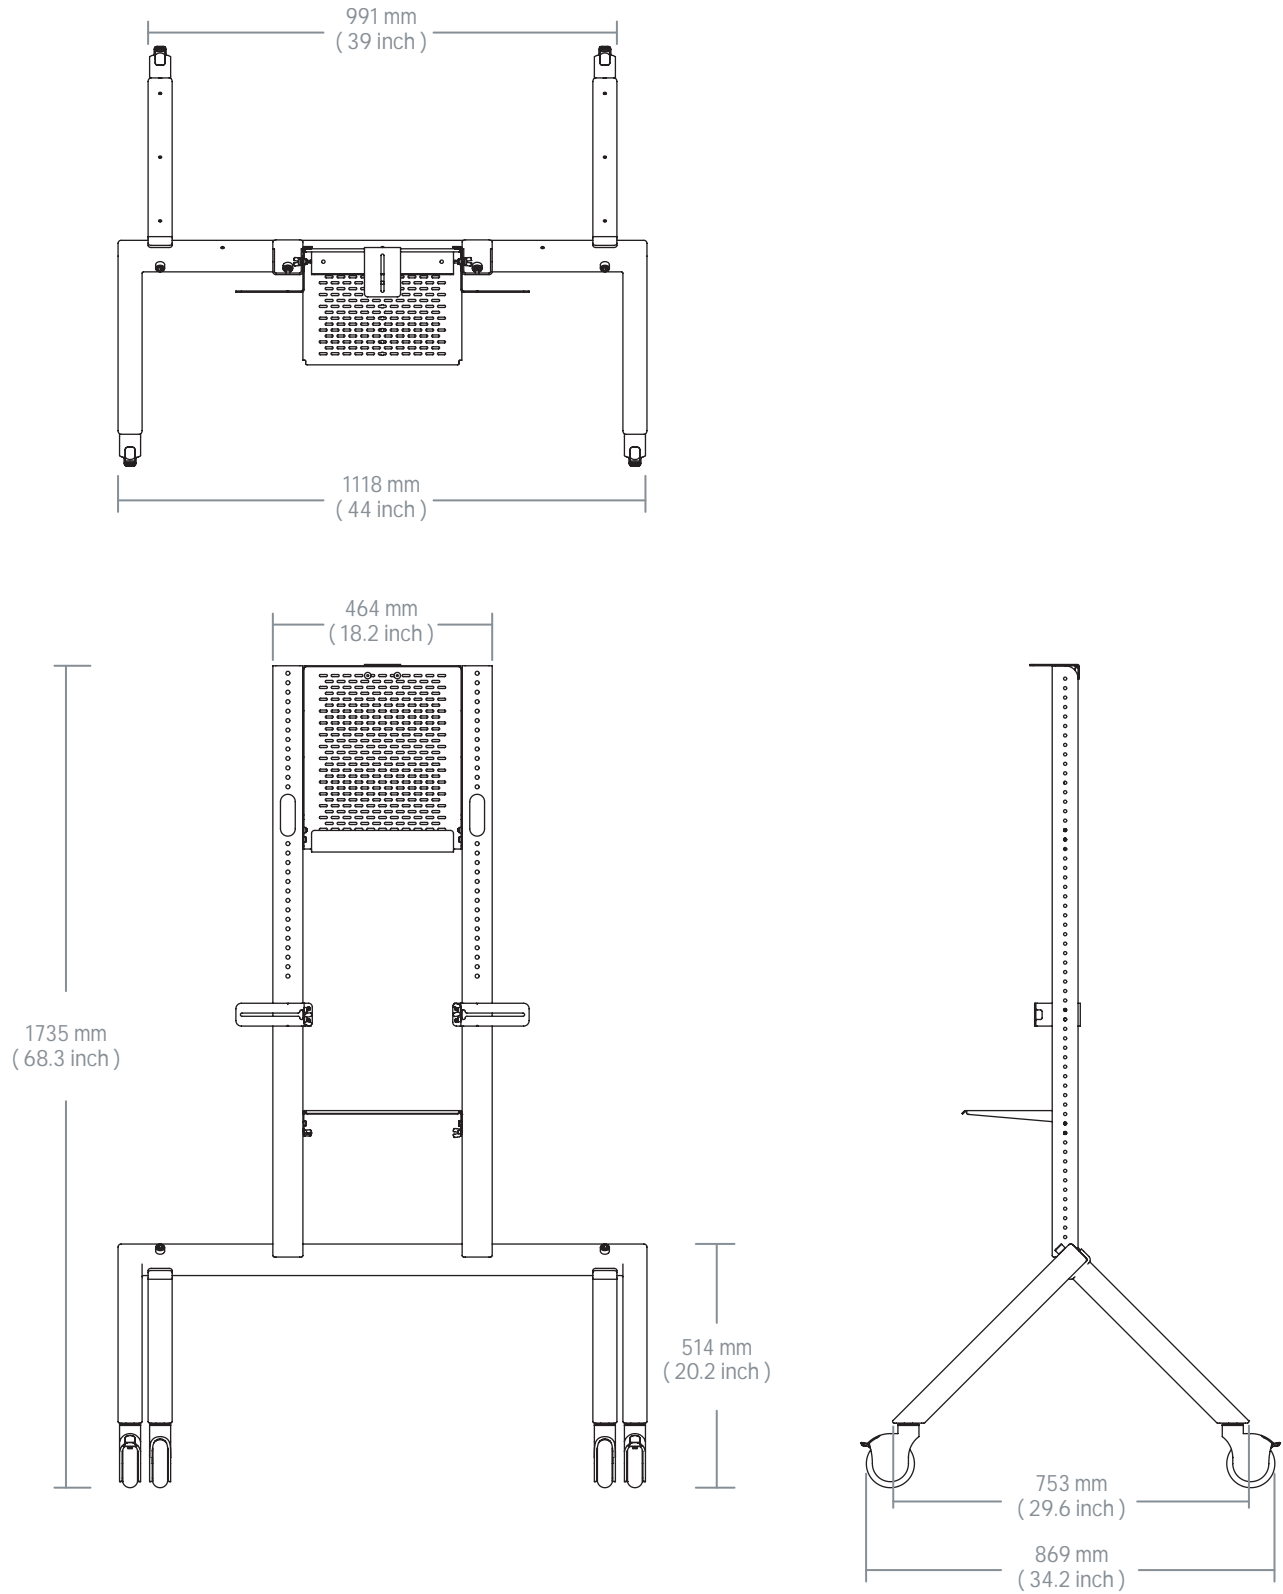

- A** Mount most cameras using the included PTZ camera adapter.
- B** VESA-compatible hole pattern for mounting any VESA-compatible device.
- C** Hole pattern supports device mounting using the included hook-and-loop straps.
- D** Panel can be rotated for quick access to mounted devices.
- E** Bottom pocket supports the optional mounting of Tripp Lite power strip(not included).
- F** Integrated cart handles.
- G** Height-adjustable display mounting.
* Compatible with displays with VESA 400 (horizontal) mounting pattern, up to 300 pounds of total display weight.
* Recommended for use with 50-inch to 75-inch displays.
- H** Heavy steel construction.
- I** Scratch & fingerprint-resistant powdercoat finish.
- J** Compatible with most popular soundbar and soundbar-shaped devices. Can be mounted to Display Panel above the display.
- K** Integrated cable management inside the Display Rails and along the Rear Legs.
- L** Fasten devices to the shelf's top surface magnetically and with hook & loop straps.
- M** Centered 1/4 inch holes for mounting PTZ and other cameras.
- N** VESA-compatible hole pattern. Compatible with M4 screws.
- O** Patented nesting design to maximize storage space.
- P** Brake casters.
* Cart legs feature female threads compatible with casters and leveling feet with a 1/2 inch-13UNC, 1 inch long threaded post.
- Q** Easy, two-person assembly.
